DETAILED ACTION

Response to Amendment

The following is in response to the terminal disclaimer filed on April 30, 2010.

Claims 1-4 and 6-18 are pending.

Claim 5 was cancelled in the amendment of November 9, 2009.

Terminal Disclaimer

The terminal disclaimer filed on April 30, 2010 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 7,407,564 has been reviewed and is accepted. The terminal disclaimer overcomes the obviousness-type double patenting rejection over claims 1-11 of U.S. Patent No. 7,407,564.

Allowable Subject Matter

Claims 1-4 and 6-18 are allowed.

The following is an examiner's statement of reasons for allowance:

In a stratified press fabric comprising a base support structure, a first batt layer attached to the base structure, a fine fabric covering the first batt layer, and a second batt layer attached to the fine fabric, wherein the first batt layer has staple fiber material coarser than that of the second batt layer and wherein the fine fabric limits transfer of staple fiber material between the two batt layers, the prior art does not disclose or suggest providing the first and second batt layers with a different color such that the color of the first batt layer indicates wear when the second batt layer is worn and the first batt layer is exposed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Hug whose telephone number is (571) 272-1192.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Steven Griffin can be reached on 571 272-1189. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
